Hi U/15 Cricketer,

Due to living in the City of Boroondara, City of Whitehorse and/or City of Manningham, please be aware of the upcoming cricket representative trials for U/15 cricketers within the Inner East Metro Cricket Region.

As a part of the new Inner East Metro Pathway Program (diagram on page two) the U/15 cricketers will now trial and if selected play their representative cricket in the JG Craig Shield Competition (formally known as the RM Hatch Competition). Please note U/14 cricketers aren't invited to this JG Craig Shield process.

There will be three trials within the Inner East Metro hosted by the aligned Sub District clubs in the region: Balwyn CC, Box Hill CC and Kew CC. Please attend all three of the U/15 JG Craig Shield selection trials listed below, arriving 15 minutes before the start time and bringing a drink and your own cricket equipment:

At the conclusion of the above three trials, the players will be asked to choose, which club they would like to continue trialling for. The clubs will conduct their own ongoing, individual club trials and announce their final squads by Sunday, November 23, 2014. An opportunity for high performing players during the trials could exist to be elevated into the U/16 Inner East Emus trialling squad. If this is the case and that elevated player misses final U/16 Inner East Emus selection then they will filter back into their initial chosen JG Craig Shield team.

We look forward to seeing you at the above three trials (no RSVP is required) and wish you all the best not only for these trials but for the upcoming cricket season.

Kind Regards,

Shane Koop
