

Dean Jones (E-Bees & Australia!)

Born in 1961, Dean Jones played junior cricket with the E-Bees in the BHRDCA under 14's, before embarking on a senior cricket career that resulted in 52 tests and 3631 runs for Australia in test cricket and another 6068 runs in International One-Day cricket.

Dean first came to the attention of Junior Section Manager, John Toogood after playing against him in a senior game.

John then put forward Dean's case to under 14 team manager Tahu Maru Maru to include the promising all rounder in the BHRDCA Under 14 squad.

Dean went onto score a century batting at number three in the first game and his career took off from there.

He remains the only Australian Test Match player who commenced his career within the BHRDCA
